Administrative/ Biographical Sketch	<p>“After one year’s labor the publisher is pleased to announce that the new Atlas of Lincoln and Welland Counties is now ready for issue. He takes this opportunity, also, of thanking the citizens of the Counties for their generous support in the various departments of the work; and, the satisfaction of aiding in the production of such a work must be their reward. The work of delivery will commence on the 10th inst., and be prosecuted by an able corps of agents until the lists in all the towns of the counties are delivered.” H.R. Page, Publisher.</p> <p>The atlas was the first of its kind to be published for the Lincoln and Welland Counties of Ontario. The atlas also includes biographical information and sketches and drawings of prosperous inhabitants and their homes.</p>
